### DIN Circular Jack

RS Stock number 786-3473

#### Specifications:

|                        |                               |
|------------------------|-------------------------------|
| Dielectric Strength:   | 1,000 AC/1 minute             |
| Contact Resistance:    | 20M $\Omega$ max.             |
| Insulation Resistance: | 100M $\Omega$ min. at 500V DC |
| Rating:                | 100V AV 2A                    |

#### Dimensions-mm:
