RS PRO Disposable Gloves

RS Stock No.: 2458999, 2459000, 2459001, 2459002

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

The RS Pro nitrile powder free disposable gloves has beaded cuff provides extra strength during donning and helps prevent liquid roll back. Ambidextrous fit means you do not have to split a pair to replace a damaged glove. Reduces risks of latex allergies and minimises particulate contamination.
