

FEATURES

- Ideal for high torque fastening in medium to heavy duty applications
- Rounded edge for safety
- Neat and tidy final finish
- Nickel coated
- Good protection against surface rust
- Recyclable
- Available in a wide range of sizes

RS PRO Dome Nut

RS Stock No.: See Table Below

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Introducing the range of RS PRO Dome Nuts, a high-quality fastener solution for connecting and tightening a bolt or screw in a wide range of applications but offering a rounded edge to prevent damage to the fastener and for safety in case of accidental contact when brushing past the sharp edges' fastener. Each fastener is made from steel with a nickel-plated coating, making them much more cost-effective than their stainless-steel counterparts, while still offering a high level of protection against surface rust and oxidation.

Applications:

- Household and DIY applications
- Building and construction
- Automotive, marine and aerospace

General Specifications

RS Stock Number	Finish	Material	Thread Size
2456700	Zinc	Steel	1/4-28
2456701	Zinc	Steel	#10-32
2456702	Zinc	Steel	1/4-20
2456703	Zinc	Steel	5/16-18
2456704	Zinc	Steel	3/4-16
2456705	Zinc	Steel	1/2-13
2456706	Zinc	Steel	5/8-11
2456707	Zinc	Steel	#6-32
2456709	Zinc	Steel	#8-32
2456710	Zinc	Steel	#10-24
