RS PRO 250mm Plier Set

RS Stock No.: 136-3409

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

From the trusted RS PRO brand, this 4 piece plier and cutter set is an ergonomic set of bi-material pliers offering high performance. These pliers feature an asymmetric handle profile for increased comfort and less fatigue over long periods of use. The handles also have finger guards integrated into the design, to prevent slipping. The pliers and cutters are ideal for a variety of precision applications where components handling and wire manipulation are common
