RS PRO 5.5 in Chrome Steel Electricians Scissors

RS Stock No.: 487-224

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Our RS PRO heavy-duty, stainless steel electricians scissors with a notch are ideal for electricians out in the field whilst working. These scissors can sometimes be referred to as "cutters" or "shears", they have been designed to seamlessly cut through hard materials such as cloth, upholstery, leather, kevlar and insulation.
