RS Stock No: 2549949

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

*Single length elastic bungee cord with single hook attached to each end.
Measures 900mm long and 8mm diameter.
Used to secure loads.
For safety reasons never stand in direct line of a tensioned elastic cord and do not extend by more than twice the unstretched length.*
