

## ABS Plastic Hand Held Enclosures – With Watertight Option

### Key Features

- Electronic hand held enclosures, ideally suited for mounting printed circuit boards.
- Ergonomically designed for a comfortable fit into the user's hand.
- Lap joint construction provides protection against dust accumulation and splashing water.
- Available in two versions - Gasketed (IP65 rated) & no gasket.
- Gasketed version includes gasket around top & bottom half and around battery door (factory installed).
- Moulded in a general purpose ABS plastic with a light texture (material carries a UL flammability rating of UL94 HB).
- The top half includes a smooth recessed area for membrane, label or silkscreen.
- Assembled with M3 Philips self-tapping screws.
- Both top and bottom halves contain P.C. board standoffs moulded in (see photos for details).

Non-Gasketed version
