RS PRO White Cable Tie Mount 10 mm x 15mm , 5mm Max. Cable Tie Width

RS Stock No.: 666-717

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Saddle style screw-mounted cable tie bases, available in black and white for outdoor and indoor use respectively. The clamps are manufactured from nylon 6.6 (also known as Nylon 66) that is classified to UL 94V-2, making them ideal for use where fire resistance is critical. Cable tie mounts have been designed specifically to be used with cables and wires to secure, identify and tidy cables.
