# **Parts and Assembly Cleaner**

# specially developed cleaner with a high flash point (> $+60^{\circ}$ C of the agent)

WEICON Parts and Assembly Cleaner is a specially developed cleaner with a high flashpoint (> $+60^{\circ}$ C of the active ingredient) and a long working time for the removal of coarse, oily, resinified and greasy contamination. Due to its high flashpoint, Parts and Assembly Cleaner conforms to the former VbF classification AllI (VbF = Regulation concerning flammable liquids) and complies with the recommendations of the professional associations for safety at work.

WEICON Parts and Assembly Cleaner is free of acetone, butanol, ethyl acetate, etc.

Parts and Assembly Cleaner quickly and thoroughly cleans all kinds of assembly parts, aggregates, construction parts and tools. It removes oils, greases, dirt, etc., from all metal parts and cleans brakes, clutches, engine parts, etc. in the automotive sector. The product can be used in many industrial applications.

# **Technical Data**

Odour	mineral oil
Features	high flash point (> +60°C)
Storage stability	24 months
Colour	colourless
ISSA-Code	53.402.23
IMPA-Code	45 08 09

## **Processing**

Spray in sufficient quantity onto the part to be treated and allow to react. If necessary, wipe off with a clean cloth. Repeat process as required. Avoid contact with plastic and varnished surfaces.

#### Storage

Pressurized container: protect from sunlight and do not expose to temperatures exceeding +50°C.

#### Safety and health

When using WEICON products, the physical, safety technical, toxicological and ecological data and regulations in our EC safety data sheets (www.weicon.com) must be observed.

#### Available sizes:

11201500 Parts and Assembly Cleaner 500 ml

#### **Accessories:**

11850200 Hand Protective Foam, 200 ml

### Note

The specifications and recommendations given in this technical data sheet must not be seen as guaranteed product characteristics. They are based on our laboratory tests and on practical experience. Since individual application conditions are beyond our knowledge, control and responsibility, this information is provided without any obligation. We do guarantee the continuously high quality of our products. However, own adequated boratory and practical tests to find out if the product in question meets the requested properties are recommended. A claim cannot be derived from them. The user bears the only responsibility for non-appropriate or other than specified applications.
