Product Details

Grinder Guards

Three sizes of machine guards with toughened glass or polycarbonate vision panels.

159mm x 133mm and 324mm x 305mm frames are manufactured from glass reinforced fibre nylon and 215mm x 150mm frame from aluminium

All frames are supplied with a support rod to enable them to be easily installed on the cowls of any machine

These guards comply to the abrasive wheels regulations 1970 and the protection of eyes regulations 1974

All models are impact tested to the requirements of BS2092 grade 1
