## RS PRO 2 Shelf Steel Trolley, 725 x 470mm, 120kg Load

RS Stock No.: 251-918

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

### Product Description

Introducing the range of RS PRO Trolleys, ideal for transporting items in offices, shops, warehouses and much more. The robust trolleys are designed to look professional in any setting they are used and offer a chrome finish that's easy to keep clean, along with scuff-resistant corners to ensure it always looks presentable. The tubular steel frame ensures durability and strength, while the steel-pressed shelves offer strength with a non-slip surface to ensure the load remains stable during transportation. With a 120kg load capacity, lightweight frame and non-marking swivel wheels, this RS PRO trolley is an ideal investment that is versatile enough to be used across a wide range of applications.

What other trolleys are available in this RS PRO range?

251-918 2 Shelf Trolley with 4 wheels

251-924 3 Shelf Trolley with 4 wheels
