

Datasheet

PP cylinder w/printed graduations, 250ml

RS Stock number 461-0875

- Full range of ISO 6706 graduated cylinders in ultra clear PP
- Safe, unbreakable robust plastic construction
- Enhanced pin sharp blue printed graduations
- Very easy to read as liquids have virtually no meniscus in plastic cylinders
- Stable hexagonal bases with non-slip anti-suction feature.
- S.P.I. recycling codes and batch code on each cylinder.
