

122HD60

Husqvarna 122HD60 is a low noised and light weight hedge trimmer for domestic use with easy to use functions such as Smart Start® and adjustable rear handle.

LOW NOISE

The low noise engine technology and the special design make this hedge trimmer quiet and easy to use. Very important for everyone who operates in residential areas.

SMART START®

The engine and starter have been designed so the machine starts quickly with minimum effort. Resistance in the starter cord is reduced by up to 40%.

LOWVIB®

Effective anti-vibration dampeners absorb vibration, sparing the user's arms and hands.

ADJUSTABLE REAR HANDLE

The rear handle is adjustable to facilitate cutting the sides and top of hedges.

Features

- Extended reach with long cutter bar
- Auto return stop switch for easy starting
- Fuel pump for easy starting

Technical data
