RS PRO 12 pieces Hex Key Set, L Shape Ball End

RS Stock No.: 151-1519

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

From RS PRO, this high-quality hex key set is a handy way to keep differing allen key sizes all in one place. Supplied in a handy plastic holder, the keys are portable, neatly organized and ready for any task. The L-shaped keys are long arm, and so ideal for deep-set bolts. They are also ball ended, which makes it easier to slide hem into a receiving socket.
