Product Details

Square Diffusers

4-way, square louvre face diffusers suitable for ceiling mounting, allowing air to be introduced with the maximum diffusion and minimum disturbance.

3 sizes available to suit ducts 300mm, 450mm and 600mm

The core is removable, for easy cleaning and adjustable for either horizontal or vertical projection

Diffusers are manufactured from extruded aluminium sections, the mitred corners being fully welded and finished before being finished in white stove enamel
