RS Stock No.:
2326957,2326977,2326992,2327005

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

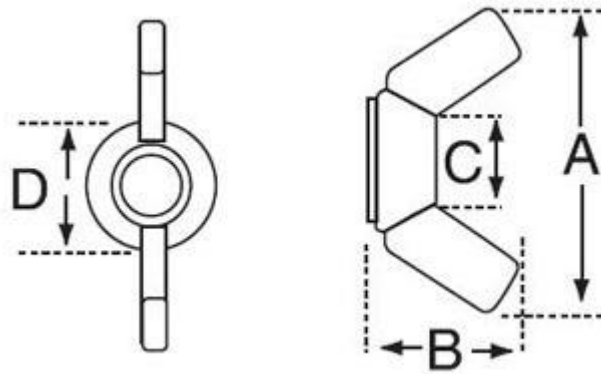

Product Description

Wing Nuts

RS Pro nylon wing nuts have a plain finish and are highly corrosion resistance. These wing nuts have metric threads that are designed to stay in position in despite conditions of severe vibration. The wing feature makes them easy to tighten with fingertip pressure.
