## RS PRO 2m USB 2.0 A M - A F Extension Cable - White

Stock number: 182-8857

EN

The RS PRO 2 metre USB version 2.0 A male to A female cable has a white PVC jacket and connector hoods. The cable flex has copper wire conductors and drain wire, with an aluminium braid, foil shielding and has an outer diameter of 4mm.

The connectors are nickel and have a strain relief to help avoid the cable splitting around the edge of the boot. USB A male to A female cables are used to extend shorter cables when extra length is needed.

USB extension are used to extend short USB cables. The A male connector plugs into the A female socket on the PC, the A male connector on the cable that needs extending plugs into the female connector on the extension cable.
