

Datasheet

InstantAir Adaptor 9.5mm i/d Hose Tailpiece

PCL's "Made in Sheffield" bayonet type, quick acting adaptors feature a positive seal, and are designed for maximum efficiency and to prevent accidental uncoupling.

These InstantAir adaptors are suitable for most fixed compressed air applications, although swivel adaptors are recommended for trailing hose applications.

- Bayonet type adaptors, preventing accidental disconnection
- Zinc plated steel / Brass chrome plated
