# RS PRO Cable Clip Grey Self Adhesive Nylon Cable Clamp, 7mm Max. Bundle

RS Stock No.: 817-8974

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

Self-adhesive cable clips are easy to mount as they don't require nails to keep the clips in place. When you peel back the backing layer, a sticky surface is visible which allows you to fix the clip to the surface area you want quickly and easily

RS PRO cable clips are a two-stage lock design accommodating different size cables in a single clip.
