

3M

3M™ Particulate Respirator 8210™, N95

- NIOSH approved for at least 95 percent filtration efficiency against certain non-oil based particles
- Two-strap design with welded dual point attachment helps provide a secure seal. Cushioning nose foam and adjustable noseclip helps provide a custom fit and secure seal
- Advanced electrostatic media is designed for ease of breathing
- **20 pcs per box, 8 boxes per carton**

3M

3M™ Particulate Respirator 8110s™, N95

- NIOSH approved for at least 95 percent filtration efficiency against certain non-oil based particles
- Two-strap design with welded dual point attachment helps provide a secure seal. Cushioning nose foam and adjustable noseclip helps provide a custom fit and secure seal
- Advanced electrostatic media is designed for ease of breathing
- **20 pcs per box, 8 boxes per carton**

3M

3M™ Particulate Respirator 8577, P95, with Valve and Nuisance Level Organic Vapor Relief

- NIOSH approved for at least 95 percent filtration efficiency against certain oil and non-oil based particles
- Carbon layer reduces exposure to nuisance levels of organic vapors
- 3M™ Cool Flow™ Exhalation Valve reduces heat build-up inside the respirator
- Advanced Electret Media is designed for ease of breathing
- **10 pcs per box, 8 boxes per carton**

3M

3M™ Particulate Respirator 8511, N95

- NIOSH approved for at least 95 percent filtration efficiency against certain non-oil based particles
- 3M™ Cool Flow™ Exhalation Valve helps reduce heat build-up inside the respirator
- Braided headbands two-strap design with dual point attachment helps provide a secure seal
- Advanced Electret Media is designed for ease of breathing
- **10 pcs per box, 8 boxes per carton**

3M

3M™ Cupped Particulate Respirator 1860, N95, with Fluid Resistance

- NIOSH approved for at least 95 percent filtration efficiency. Meets CDC guidelines for Mycobacterium tuberculosis exposure control
- 99% BFE (Bacterial Filtration Efficiency) according to ASTM F2101
- Collapse resistant cup shape design
- **20 pcs per box, 6 boxes per carton**

3M

3M™ Medical Respirator 1860s, N95, Turquoise, Small

- NIOSH approved N95. Meets CDC guidelines for Mycobacterium tuberculosis exposure control
- 99% BFE (Bacterial Filtration Efficiency) according to ASTM F2101
- Collapse resistant cup shape design
- **20 pcs per box, 6 boxes per carton**

3M

3M™ Particulate Respirator 8247, R95, with Nuisance Level Organic Vapor Relief

- NIOSH Approved R95
- Carbon layer helps reduce nuisance levels of organic vapors*
- Collapse resistant shell. Adjustable noseclip helps provide a custom secure seal
- Advanced Electrostatic Media - with highly charged microfibers to enhance the capture of airborne particles while allowing you to breathe easier
- **20 pcs per box, 6 boxes per carton**

3M

3M™ Particulate Respirator 8246, R95, with Nuisance Level Acid Gas Relief

- NIOSH Approved R95
- Carbon layer helps reduce nuisance levels of acid gases*
- Collapse resistant shell
- Collapse resistant shell offers increased durability
- Two-strap design with four point stable attachment helps provide a secure seal
- **20 pcs per box, 6 boxes per carton**

STEELPRO M920 N95 Mask

- Ultralight and Ergonomic design
- Non woven fabric in Poylurethane polyester
- Heat sealed buckles, aluminium nose clip
- Double elastic straps for better fit
- NIOSH Approved
- **20 pcs per box, 12 boxes per carton**

STEELPRO SAFETY

STEELPRO M9910 Vertical Fold N95 Particulate Respirator

- Aluminium adjustable nose clip with internal nose foam helps reduce potential eyewear fogging and ensure better seal and fit.
- Welded, double elastic textile band for easy donning and doffing
- Protection against certain non-oil-based particles.
- Double elastic straps for better fit
- NIOSH Approved
- **50 pcs per box, 12 boxes per carton**
