- **304 Stainless Steel**

- **3m length**

RS PRO Grey Industrial Trunking - Closed Slot, W50 mm x D50mm, L3m, 304 Stainless Steel

RS Stock No.: 471-11647

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Brought to you by RS Pro, A range of trunking suitable for high levels of cable management. Due to stainless steel material, this strong and sturdy trunking is an excellent addition of cable protection for your application. The closed slot design fully protects the cable from accident damage and can be mounted in a suitable position. All models are highly reliable and excellent quality.
