Retractable Scalpel

RS Stock number [282-7172](#)

Description:

Retractable blade scalpels for precision work.

The blade extends via simple pressure on the top of the scalpel and retracts using the safety button.

Knurled end for more secure handling and grip.

Spare blades are available separately.

X-ACTO retractable knives are a stylish and convenient addition to any desk or drawer. Similar in appearance to a high quality pen, our retractable knives feature X-ACTO razor sharp cutting blades and superior craftsmanship. These knives are great for trimming coupons and other lightweight items.

X-ACTO knives are the preferred cutting tool for a wide variety of professionals and hobbyists alike. Designers and artists love the X-ACTO knife's ability to produce careful and meticulous cuts with consistency, while engineers praise the knife's durable design and reliability.

X-ACTO knives can make precise cuts through a variety of different craft materials from all grades of paper to delicate fabrics.
