

Bio-Fluid

high-purity white oil

WEICON Bio-Fluid is a medically pure white oil containing no resins or acids which was specially developed for lubrication and care. It is water-clear, free of solvents, odourless and tasteless, and water-rejecting. It has excellent creeping properties and an NSF approval.

It reduces friction and wear, suppresses squeaky noises, protects against corrosion and removes dirt and rust. Bio-Fluid can be used for the lubrication, protection and care of precision mechanisms, as a spray oil for production and filling plants, and as a lubricant for filling and packaging systems. It can be used wherever occasional, technically unavoidable contact with food or its packaging can occur.

Technical Data

Odour	almost odourless
Shelf life min.	24 months
Features	meets requirements of DAB 10, USDA H1, FDA regulations, FDA positive list
Colour	colourless
Temperature resistance	-25 to +120 °C

Processing

Apply Bio-Fluid by brushing or dropping in.

Storage

Keep in closed original container. Protect from direct solar radiation. Storage temperature may not exceed +50°C. Store container at cool and aired place. Store in a dry place.

Safety and health

When using WEICON products, the physical, safety technical, toxicological and ecological data and regulations in our EC safety data sheets (www.weicon.com) must be observed.

Available sizes:

15600005	Bio-Fluid 5 L
15600010	Bio-Fluid 10 L
15600028	Bio-Fluid 28 L

Accessories:

11850200	Hand Protective Foam, 200 ml
15830001	Adjusting Valve for cans, 5/10 L
15842001	Pump Dispenser, Standard
15843001	Pump Dispenser Special,

Note

The specifications and recommendations given in this technical data sheet must not be seen as guaranteed product characteristics. They are based on our laboratory tests and on practical experience. Since individual application conditions are beyond our knowledge, control and responsibility, this information is provided without any obligation. We do guarantee the continuously high quality of our products. However, own adequate laboratory and practical tests to find out if the product in question meets the requested properties are recommended. A claim cannot be derived from them. The user bears the only responsibility for non-appropriate or other than specified applications.
