

3415

Right Angle Light

The most versatile intrinsically safe work light in the world.

The 3415 is the ultimate safety certified compact work light. The Class I II III Division 1 certifications provide the security needed for most hazardous locations. The 3415 is equipped with both a spot and flood LED for close-up as well as distance, so you can have wide area light in the immediate work area and still penetrate darkness hundreds of yards away. It can be activated to run one or both LEDs with 3 levels of brightness. The articulating head and built-in clip allows the light to be directed wherever it is needed.

The Pelican 3415- a professional grade multi-task lighting tool that will help you get the job done- under any circumstances.

- 3 modes: Spot, Flood or Both
- Articulating Light Head
- Attached clip
- Class I, Class II, Class III – Division 1 Safety Certified
