## RS Pro Adjustable Angle Gauge

RS Stock No: 136-8104

### Specifications:

Manufactured from chrome steel

Hardness:  $\geq 58$  HRC

Micro lapped finish

Adjustable moving  $90^\circ$  vee located in a precision tee slot

Vee movement:  $60^\circ$  clockwise,  $30^\circ$  anti clockwise

Vernier scale reads in 10 second divisions

Adjustable vee can be locked in position by 2 tee nuts

Dimensions:

Height: 48mm

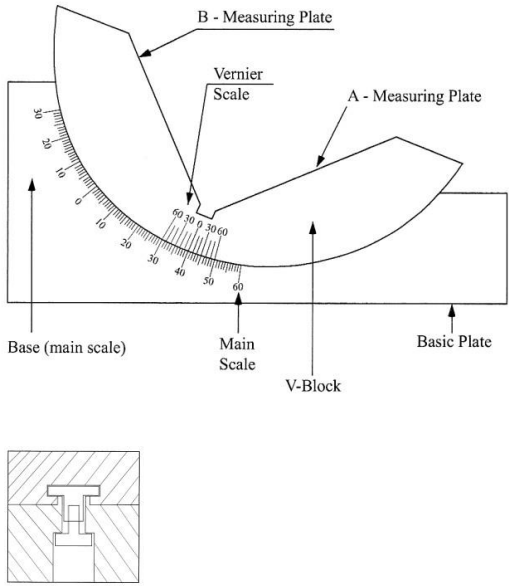

Width: 30mm

Length: 102mm
