## RS PRO Wire Stripper, 1mm → 3.2mm

RS Stock No.: 542-3357

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

From the trusted RS PRO brand, this professional automatic wire stripper has been designed to work with round, single & multi-wire PVC cables. Featuring a tension spring action for auto-return, a single squeeze of handles opens and closes the synchronized jaws and strips insulation cleanly from the conductor. For an effortless and efficient stripping of many sizes of wire, this tool is ideal.

- RS PRO automatic wire stripper spare blades [667-3433](#)
- RS PRO automatic wire stripper with 8 to 22 AWG cutting sizes [663-617](#)
- RS PRO automatic wire stripper with 8 to 18 AWG cutting sizes [542-3357](#)
