RS Stock No.: 499-3136

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Brought to you by RS Pro, a series of stainless steel threaded fittings, suitable for applications requiring a secure and reliable pipe connection. Heavily used within the plumbing industry, water and gas will flow through in a tightly sealed construction. These threaded sockets are made from a durable 316 stainless steel material and are available in various sizes to make sure there's a perfect fit. All models are highly reliable and excellent quality.
