

Zipper Braided Cable Wrap

RoHS
Compliant

Description

Zipper braided cable wrap can be installed on cable harnesses very easily, just like closing your coat with the zipper. It can offer an additional protection against flame and abrasion. It allows quick and easy installation or removal of wires and cables due to its special structure.

Application

Most commonly used on wires, wire bundles and harnesses, cable assemblies, flat ribbon cable, tubing and hoses to provide a tough, durable protection in home, office, railway.
