RS Pro Steel Line Mounting Hydraulic Ball Valve G 3/4

Product Details

3-Way Diverter

High pressure 'L' bore three way diverter ball valves with BSP parallel threaded connections at all ports.

These valves would be included in most circuits requiring a change over option

Suitable for use with water and oil

Nitrile seals, Delrin® ball seat

Delrin® is a registered trademark of Du Pont for its acetal resin

ENGLISH

Specifications:

Manufacturer Series	BK3
Number of Ports	3-way
Connection Port Thread	G 3/4
Body Material	Steel
Seal Material	Nitrile Rubber (Stem Seal), POM-Mos2 (Ball Seal)
Maximum Operating Pressure	315 bar
Thread Standard	G
Thread Size	3/4 in
Minimum Operating Temperature	-20°C
Maximum Operating Temperature	+100°C
