Product Description

The RS Pro 776-0932 is a pack of 20 self-adhesive electrical warning labels. These vinyl stickers measure 60 x 20 mm and is yellow with text and symbol printed in black. The 776-0932 labels are designed to prevent serious electrical injury from machinery and other electrical equipment. It can be very dangerous to remove some machine covers before disconnecting the mains supply. Therefore the 776-0932 sign is vital.
