

FEATURES

- EMC approved (ECE R10)
- Sealed for life against dust and moisture ingress
- Meets IP67 protection standards
- • -30 to +50° (extreme temperature
- Low power consumption
- Providing excellent all-round visibility

RS PRO Beacons

RS Stock No.: 907-6037

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

The RS PRO green lens LED beacon features 4 x 4W LEDs with redesigned optics that are ideal for off-road use and also suitable for a variety of vehicle and industrial applications. It is available in a variety of fixing methods like magnetic, DIN, Flexi DIN, 3-point and single point.

General Specifications

Bulb Type	LED
Light Effect	Flashing
Lens Colour	Green
Magnetic type	No
Housing Colour	Black
Lamp Include	Yes
Multifunction	No
Number of LED	4
Special Features	Low Profile and Compact Design, Very Low Power Consumption,

Electrical Specifications

Supply Voltage	10VDC to 30VDC
Current Type	DC
Current Consumption	300mA , 600mA

Mechanical Specifications

Dimensions	130mm (h)
Base Diameter	150mm
Mounting Style	Surface Mount, Wall Mount

Operation Environment Specifications

Maximum Temperature	-30°C
Minimum Temperature	+55°C

Protection Category

IP Rating	IP 56
