## RS PRO M5 x 0.8mm Thread Repair Insert

RS Stock No.: 175-0430

RS PRO Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

The RS PRO M5 x 0.8mm Thread Repair Insert is a tough thread insert (or helical insert) designed to replace stripped and damaged threads in a range of materials including metal, wood and thick plastic. Designed to repair M5 inserts up to 10mm through easy insertion into a predrilled hole to create a hardwearing M5 compatible thread.
