## RS PRO HSS Tap & Drill Set

RS Stock No.: 673-4702

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

Introducing the 22 piece HSS (high speed steel) tap & drill set from our own brand RS PRO, a high quality compact set ideal for a variety of DIY tasks including cutting thread into materials and drilling holes when used with a hand or power tool such as a tap wrench or drill. The 22 piece set features a high speed steel construction for enhanced durability and resistance to corrosion.
