

## FEATURES

- Lead length is 1.2m
- Double insulated silicone with multi-stranded copper conductor
- Current rating 15A

## RS PRO Multimeter Test Lead Test Lead Kit, CAT III 1000V

RS Stock No.: 125-3735

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

This high-quality multimeter test lead set provides test leads and accessories that have been designed to comply with IEC1010 Cat III 1000 V safety standard. Suitable for use with multimeters and other test equipment that is also rated up to IEC1010 CAT III 1000 V. Test leads for multimeters are used to test voltage, current, capacitance and other types of testing.

## General Specifications

<b>Lead Type</b>	Test Lead Kit
<b>Connector Type</b>	Crocodile Clip, Right Angle Plug, Spring Hook, Straight Plug
<b>Application</b>	Test and Measurement, Test voltage, current, capacitance and other types of testing

## Kit Includes

Items Name	Description	Quantity
Test Leads	Terminated with one 4 mm shrouded right angle plug and one 4 mm shrouded straight plug.	1 Pair
Multimeter probes	Plug-in multimeter probes with 2.0 mm metal tips	1 Pair
Grabber hookspug	Plug-in spring loaded grabber hookspug-in spring loaded grabber hooks.	1 Pair

## Electrical Specifications

<b>Current Rating</b>	15A
<b>Safety Category Voltage</b>	1000V
<b>Safety Category</b>	CAT III 1000V
<b>Safety Category Level</b>	CAT III

## Mechanical Specifications

Lead Length	1.2m
-------------	------

## Approvals

Compliance/Certifications	2011/65/EU and 2015/863
Standards Met	IEC1010 Cat III 1000 V
