

Features

- Resistant to a wide range of fuels and oils
- Optimum flow maintained by the smooth bore
- Flexibility maintained even under cold-weather conditions
- Constructed for higher vacuums and pressures
- Standard colour: Blue, white helix

RS PRO Hose Pipe, PVC, 38mm ID, 47mm OD, Blue, 5m

RS Stock No.: 917-5103

RS PRO Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS PRO medium weight PVC delivery hose specially developed for the suction and delivery of diesel, petrol and mineral-based oils/fuels. The hosing has been reinforced with a rigid crush and kink resistant white PVC helix making the hose tough and flexible. Optimum flow is achieved by the smooth bore.

General Specifications

Maximum Working Pressure	8.0 Bar
Vacuum Mtrs H2O	9
Material	Flexible PVC
Working Temperature	-10°C to +55°C

Mechanical Specifications

Internal Diameter	38mm, 1 1/2
External Diameter	47.0mm
Wall Thickness	4.5mm
Weight Per Meter	0.68 Kg
Bend Radius	171mm
Length	5 M
