

## FEATURES

- Plastic housing
- SIB series
- Pitch of 2.54 mm
- 20 contacts (male-to-male)
- Single row
- Straight body orientation
- Unshrouded
- Wire to Board connector system
- Through hole mounting
- Solder termination method
- Gold contact plating

## RS PRO, 20 Way, 1 Row, Straight Pin Header

RS Stock No.: 655-2872

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

### Product Description

Straightforward and time-saving, this PCB (printed circuit board) pin header is an effective way to connect two PCBs. It allows you to easily separate the boards again if any problems crop up afterwards, and there's no soldering or wiring necessary. Easy assembly means this pin header is useful for prototyping as well as permanent solutions.

### General Specifications

<b>Number of Contacts</b>	20
<b>Number of Rows</b>	1
<b>Body Orientation</b>	Straight
<b>Connector System</b>	Wire to Board
<b>Shrouded/Unshrouded</b>	Unshrouded
<b>Termination Method</b>	Solder
<b>Contact Material</b>	Brass
<b>Contact Plating</b>	Tin
<b>Moulding Material</b>	PBT
<b>Flammability</b>	UL94V-0
<b>Colour</b>	Black
<b>Contact Plating</b>	Gold
<b>Application</b>	Wire wrap and board-to-board electronics applications, as well as programming.

### Mechanical Specifications

<b>Mounting Type</b>	Through Hole
<b>Pitch</b>	2.54mm
<b>pin diameter</b>	0.64mm

Approvals

Compliance/Certifications	EN61340
