## RS PRO Aluminium Door Rain Reflector

RS Stock No.: 444-2593

RS PRO Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

The RS PRO aluminium door rain reflector is to deflect water from the bottom of the door, either in conjunction with a threshold sill or replace a weatherboard. During application, this rain reflector forms a watertight seal against the door while offering ventilation via the open ends to allow circulation.
