RS PRO USB 2.0 A Male – Mini B Male White

RS Stock No:

RS Professionally Approved Products bring to you, professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

The RS PRO 2 metre USB version 2.0 A male to mini-B male cable has a black PVC jacket and connector hoods. The cable flex has copper wire conductors and drain wire, with an aluminium braid, foil shielding and has an outer diameter of 4mm.

The connectors are nickel and have a strain relief to help avoid the cable splitting around the edge of the boot.

USB mini-B ports are commonly found on portable devices such as phones, cameras and portable hard disks.
