

DEGREASER-MIGHTY

DESCRIPTION

DEGREASER-M is specially compounded to provide effective, high power emulsion cleaning of carpark oil and grease deposits and stains. It is blended with specialty chemical which gives rapid cleaning action with immediate results, even for very stubborn and seasoned soils. **DEGREASER-M** will also give pleasant citrus odour after clean.

FEATURES & BENEFITS

- Ready for use with direct application.
- Can be used in spray, foam, brush or dip applications, and water rinsed.
- Very cost effective.
- High level of safety to the operator.
- Does not contain hazardous petroleum hydrocarbons
- Allow easy disposal with biodegradable nature.

APPLICATION & USE

DEGREASER may be applied undiluted or with 10 to 50 parts of water by brushing, wiping or spraying. Then hose off with water. It is advised that for very stubborn and seasoned soils, **DEGREASER** should be applied neat onto the soils and allows **DEGREASER** to penetrate the soils properly. This usually takes about a few minutes. Then clean off with a brush and hose down with water. **DEGREASER** can be used on most surfaces including painted and unpainted surfaces, decks, walls, and even steel or metals surfaces and wherever grease, oil and grimy soils are a problem.
