## RS PRO Interface Adapter Female D-sub, 9-Pin (Serial) to Mini DIN, 6-Pin Male

RS Stock No.: 828-296

RS PRO Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

This RS PRO adapter is the ideal solution for your electronics, computers and much more. Upon inspection, it offers a D-sub, 9-pin serial female connector at one end and a Mini DIN, 6 Pin male connector at the other. This device can be quickly installed and held in place via the retaining screws leaving the Mini DIN male ready to accept a female connection.
