## Product Description

Move equipment quickly and safely around offices, warehouses or other environments with the help of these handy swivel castors from RS PRO. These general-purpose castors have a wheel diameter of 100 mm and can carry up to 70 kg.

The castors have a brake for safety and rubber tyres to protect your floor. Offering maximum mobility, they're able to rotate a full 360°. The wheels are fitted with roller hub bearings, which offer a higher load capacity than plain bore bearings.
