

## FEATURES

- Quick connection and disconnection
- Robust and resistant
- Suitable for compressed air, water

# RS PRO

## Push-In Fittings

### Male Elbow

RS Stock No.: 2351157

### Product Description

Part No.	Tube OD	Thread
2351157	4 mm	M5

## Features

- Quick connection and disconnection
- Robust and resistant
- Suitable for compressed air, water

## General Specifications

<b>Pressure range</b>	Vacuum to 17 bar
<b>Temperature range</b>	-20°C to +80°C
<b>Torque</b>	Minimum: 5 Nm (3.7 ft lbs). Maximum: 7 Nm (5.2 ft lbs)
<b>Working medium</b>	Compressed air, water

## Materials

<b>Body, thrust ring and sleeve</b>	Nickel plated brass
<b>Gripper collet</b>	Stainless steel
<b>Safety ring</b>	Technopolymer
<b>Lip seal and thread seal</b>	NBR 70
