# RS PRO Engineers Slotted Parallel; Slotted Flared; Pozidriv Screwdriver Set 6 Piece

RS Stock No.: 459-3944

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

From the trusted RS PRO brand, this high-quality and versatile screwdriver set is ideal for engineering applications. With a selection of flared and parallel flat-headed and pozidriv screwdrivers included, the set is able to tackle screws and fasteners of various common sizes. With chrome vanadium steel blades, these screwdrivers are highly durable and resistant to corrosion.
