OptiVisor is a precision built binocular head-band magnifier which permits unrestricted user efficiency while reducing eye strain - leaves both hands free - allows three dimensional vision - Used by anyone whose profession or craft requires close accurate work - Can be worn over prescription or safety eyeglasses. Not a safety device. Do not use in place of safety glasses or face shield.

### **OPTIVISOR IS EQUIPPED WITH THESE UNIQUE FEATURES**

- **Optical Glass Prismatic Lenses** - Polished to precision optical standards - bevel edged and mounted in interchangeable plastic frame.
- **It Tilts** - Adjustable pivots allow the visor to be tilted out of the way when not needed and at your fingertips when you need magnification.  
Adjustable Headband - Conforms to fit all head sizes - fabricated from a special blend of lightweight material - comfortable when worn for long periods of time.
- **High Impact Visor** - Provides a tough durable always new appearance.
- **Genuine Leather Comfort Band** - Padded with orthopedic felt adds to comfort.
