

## Datasheet

### Fan Mounted Fan Filter for 80mm Fan, Aluminium, Stainless Steel, 80 x 80mm

RS Stock number [737-4106](#)

Aluminium/stainless filters offer high levels of air passage while efficiently filtering contaminants and shielding EMI/RFI.

Tightly woven stainless corrugated mesh screen (30x30, 3/16\* pitch, 1/8\* deep)

Filters may be mounted directly onto the fan or to any other housing.
