

I. Identification of the substance/mixture and of the company/undertaking

Product Name

High Temperature Masking Tape

Name of Manufacturer or Supplier of the goods

Premier Farnell plc

150 Armley Road, Leeds, LS12 2QQ

+44 (0) 8701 202530

Emergency telephone number

+44 1865 407333

II. Composition Identification Data

Product Name	Synonym	CAS NO.	Hazardous Substance (percentage)
(Polyimide tape)	None	62929-02-6	None

III. Hazard Identification Data

Major Hazard Effect

Emergency overview

Adverse health effects : None

Environmental effects : None

Special hazards : None

Main symptoms : None

Classification of Hazardous Substances : None

IV. First Aid Measures

First aid measures for different exposure routes:

Inhalation : No first aid measures are required.

Skin exposure : No first aid measures are required

Eye exposure : Rinse immediately with plenty of clean water. In severe cases, go to the hospital.

Ingestion : Go to the hospital

Major symptoms and harmful effects : None

Protection for first-aid personnel : None

Notes to physicians : None

V. Fire Extinguishing Measures

Applicable fire extinguishing agents : Water, carbon dioxide, dry powder, foam and other fire extinguishing agents

Special fire extinguishing procedure : None

Special protective equipment for fire fighters : None

VI. Accidental Release Measures

Personal precautions : None
Environmental precautions : None
Cleaning method : None

VII. Handling and storage

Handling : None
Storage : Protection from moisture, sun and rain

VIII. Exposure Precautions:

Engineering control:

Control parameters
Eight-hour average solution concentration/short-time average solution concentration/maximum solution concentration

Biological indexes:

Personal protective equipment : Not required
Respiratory protection : Not required
Hand protection : Not required
Eye protection : Avoid eye exposure
Skin and body protection : Not required
Sanitary measures : None

IX. Physical and Chemical Data:

Physical state : Rolled tape
Colour : Brown
PH : N/A
Decomposition temperature : N/A
Auto ignition temperature : N/A
Specific gravity of steam : (air=1); N/A
Density : N/A
Shape : rolled tape
Odour : odourless
Boiling point/range : N/A
Flash point : N/A
Test method : open-cup, closed-cup
Explosion limit : N/A
Steam velocity : N/A
Solubility : N/A

X. Stability and Responsiveness

Stability : Yes
Possible hazardous reactions under special conditions : None
Hazardous Decomposition : None
Substances to avoid : Acid, strong oxidant

Safety Data Sheet

XI. Toxicological Information

Acute toxicity : None
Slow or long term toxicity : None

XII. Ecological Information

Possible Environmental Impact : None

XIII. Waste Gas Treatment Method

Waste gas treatment method : Factory waste gas treatment permitted by law

XIV. Transport Information

International Shipping Regulations : None
UN NO. : None
Domestic Shipping Regulations : None
Special delivery methods and precautions : None

XV. Other Information

NA
