## RS PRO 3.5mm Extension Cable

Stock number: 2369050

EN

The RS Pro range of audio extension cables are assembled with Gold connectors for a higher quality connection and also providing anti-corrosion properties. These extension cables come with a black jacket. Unlike the 3 pole 3.5mm connector, the 4 pole allows the use of a MIC or a piece of equipment that requires a 4<sup>th</sup> pole.

RoHS / REACH / CE / UKCA
