RS PRO 0.5m 4 Socket Type G - British Extension Lead

RS Stock No.: 839-9799

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Brought to you by RS Pro, the P-Pack Desktop power extension lead features an ergonomic and modern shape, with angled individually fused UK sockets. This switched power module is made from a tough ABS plastic extrusion to maximise system performance. The flat base of the P-Pack desktop unit allows flexible positioning, through the utilisation of either the G clamps, or adhesive pads. All models are highly reliable and excellent quality.
