

497A

## Safety Tags

Identification tags are key components to any safety lockout program. Master Lock offers write-on tags in English, Spanish and French to accommodate employee needs.

## “DO NOT OPERATE” Safety Tags

*Laminated Tags Comply with OSHA Lockout/Tagout Standard*

- ▶ Durable polyester laminate resists water, grease and extreme temperatures
- ▶ Heavy duty construction withstands over 50 lbs. of pull force (meets OSHA requirement); prevents accidental removal
- ▶ Write-on name, department, expected completion
- ▶ 7/16in dia. brass grommet accepts all safety padlocks
- ▶ Single language and bilingual tag options
- ▶ Tags available in other languages; call for details
