Stainless Steel Plain Washer, 0.8mm Thickness, M4 (Form A), A4 316

RS Stock No.: 189-636

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

From the trusted RS PRO Brand, these stainless steel washers are generally used with a machine threaded fastener and nut to spread the load over a greater surface area when tightening a bolt, screw or nut. As they are made of stainless steel, they have an element of corrosion resistance and are suitable for use in many environments. Available in the following sizes:

- [189-636](#) is an M4 size A4 Stainless Steel Plain Washer
